# Social Media Outreach

Here's what we do for you:

• Create and Manage your YouTube Channel

- Edit & upload YouTube videos (less than 15 min) and post them to social media outlets (up to 10 per month)
- Report view statistics so you know if your videos are effective

• Create your Church/Ministry Facebook page

- Post announcements, testimonies, etc to Facebook page at optimum times (based on weekly bulletin)
- We educate you on what your church/ministry should be sharing on Facebook
- We provide reports on the effectiveness of your Facebook strategy
- We daily monitor for comments and questions and respond or notify you if you need to respond (we make sure you stay connected)
- We search Facebook for ministry opportunities among your "friends" and notify you of those opportunities

• Create your Church/Ministry Twitter Feed

- Post announcements, etc to Twitter at optimum times (based on weekly bulletin)
- We educate you on how, when, and what to share on Twitter
- We respond to mentions, direct messages and follows on a timely basis
- We search your surrounding community on Twitter (a rarely used tool) for ministry opportunities you can respond to.

• Create & manage email newsletter list for church/ministry (up to 2000 email addresses. More can be added for a small monthly fee)

- Professionally Design and send out weekly email newsletter
- We help you connect with members, non-members, your community and unbelievers via social medias.

The benefits of using Acts OneEight Media:

- We help you communicate & connect with members, non-members, your community and unbelievers via social medias
- We keep you away from a computer and in the field doing the ministry God has called you to do
- We keep your staff from spending precious ministry time trying to "figure out" how it all works
- We communicate effectively and consistently with members and non-members keeping your church/ministry always before them
- We make sure your Message is delivered in a timely and professional manner that represents your church/ministry well.
- We keep your "up-to-date" with communicative technology and trends
